Projects

Portfolio Website
- Link : **https://praveen-kb.github.io/Praveen-Portfolio/** Created my own Portfolio website with many functions which helps Employers to View various of my Projects

Infinite Scroll
- Link : **https://praveen-kb.github.io/infiniteScroll/** Created using Unsplashed API which is a sample project to show that i could make infinite scroll possible, which loads random images before user reaches bottom.

Picture in Picture
- Link: **https://praveen-kb.github.io/Picture_in_Picture/** Created with PIP API Which allows users to use PIP mode only in desktop.
